

"America will always be okay as long as Black people don't lose their minds."

"A boycott is a passive act."

"The US has no conscience."

"I was born in jail."

All quotes from Stokely Carmichael - who interviewed his mom.

Questlove, Erykah Badu, Robin Kelly, Sanya Sanchez: etc. also spoke in sound bytes during the film. This is what some of them had to say:

"White American killed Dr. King last nite and declared war on us [Blacks]."

"As long as the White man does it, it's alright. Black men are supposed to have no feelings" - Malcolm X

1968 Gentleman in Harlem : Seems like anyone who has money is from a different race."

Eldridge Cleaver: Pigs "Oink, Nixon. Oink, Wallace.

Erykah Badu: "We say it is wrong to defend ourselves. It is ridiculous, shame on us!"
